Plan NOW for the Reception in Madison

As the World Learns—Edutopia looks at international education

Natalie French assumed the position of President of the Friends of International Education, Inc., at the Winter Board Meeting. Natalie is a long-time member of Friends, supporter of international experiences, and has been a member of the board for the past three years. Join us at the March 31st reception at the International Education Conference (in conjunction with the WCSS meeting) in Middleton to welcome Natalie.

Travel to Nepal

We are still seeking applicants for the Fulbright Group Projects Abroad to Nepal. Please encourage friends and colleagues to consider applying.

The trip will be for four weeks in summer (June and July). The application form is on our website OR please contact

### Reasons to encourage your colleagues to join the Friends of International Education, Inc.

Network of Committed Educators

The Friends has a wealth of information among the members about a variety of international issues. We are building our website and will be improving access to resources. Our annual meeting, conferences and receptions provide opportunities to meet face-to-face with other members.

Global Connections

We have established a worldwide network of teachers eager to help with classroom projects, travel, and other opportunities.

List Serve

The listserve reaches over 800 educators. Remember, if you have critical information that you would like disseminated, contact me.
