

Friends of International Education, Inc,
March Member Newsletter

This newsletter is ALL About the IEC Conference

The Friends of International Education is looking to have an enhanced participation at this annual spring event. This year we are engaging in several effort to create visibility.

We will be sponsoring a session on Monday morning on Teacher Travel Opportunities. This session will discuss opportunities to travel through university programs, funded programs, programs offered through non-profits, etc. along with credit discussions and how to raise funds to support travel. Please JOIN us at that session to provide input on programs that YOU have participated in during your career.

We will be having a display in the exhibit hall. Please visit us and lend a hand in recruiting new members.

We will highlight our group at the wine and cheese reception on Monday afternoon. Please join us. We will identify the FIE members (visit our display to pick up your flag). This is an opportunity for FIE members to meet and greet the FIE Board members AND to create a visible presence for the attendees at the IEC/WCSS conference. We NEED you to be there.

You should have received information about the above in the mail. IF you did not, let me know and I will send you a copy.

Looking forward to seeing you in Madison
